GOVERNMENT OF MADRAS
Abstract.

TEXTILES- Yarn- Distribution Scheme- Increase in the quota of the Province- Reallocation among various districts and selection of additional dealers- Orders passed.

Development Department.

G.O. Ms. No. 676. Dated 11th Feb. 1949.
Read :
G.O. Ms. No. 4729, Development, d/17-9-1948.
From the Provincial Textile Commissioner,
No. 777/49, / D3, dated 3-2-1949.

O R D E R:

In G.O. Ms. 4729 Development, dated 17-9-1948 the Government issued detailed instructions in regard to the permanent arrangement for distribution of yarn in the Province. The quota of yarn for this province has since been increased by the Textile Commissioner, Bombay, to 24,500 bales per month. After providing for direc deliveries by mills to dyers, powerloom factories, hoisery factories and for other miscellaneious purposes, a quantity of 18,897 bales will be available for distribution to handlooms. The Registrar of Cooperative Societies has stated that the distribution of yarn by the Cooperative Organisations would be limited to the quota which is already being handled by them. The entire additional quota allotted to this Province. will therefore be entrusted to the normal trade channels.

2. Statements showing (1) the revised district quotas and the quantities allowed to the various classes of consumers and (2) the quota ear-marked for trade, the number of dealers licensed already with reference to the old quota, the number of dealers required for handling the revised quota and the additional dealers required to handle the increased quota are appended to this Order.

In working out the number of dealers required the following factors among other things have been taken into account:---

(1) Sanction of direct mill quotas to certain master weavers, powerloom factories and dyers.
(2) The concession given by the Textile commissioner Bombay to the Cannanore Spinning and Weaving Mills Ltd. & Singanallur, for selling their production at retail rates through their own depots.

A concession similar to the one given to the two mills referred to above has since been given by the Textile Commissioner, Bombay to the Cauvery Spinning and Weaving Mills Ltd., Pudukottai. The modifications necessary in Statement II with reference to this concession will be communicated to the Collectors of the districts concerned separately.

4. The Collectors are requested to select the additional dealers required for their districts as indicated in Statement II. In making the selection the orders already issued regarding the selection of dealers should be adhered to. Old dealer who are eligible ~~for allocation~~ may be licensed to the extent available, without any prior approval of Government, a list of such dealers so far as it relates to wholesale trade being submitted to Government and the Provincial Textile Commissioner for information. In case new entrants have to be selected to make up the quota required, the list of such new entrats should be submitted to Government through the Provincial Textile Commissioner for approval before they are licensed. When the number of eligible old dealers exceeds the number required for the district, the dealers should be licensed in the order of their turn-over during the last control.

5. The Collectors are requested to see that the

selection of additional dealers is made expeditiously on the lines indicated above.

(By Order of His Excellency the Governor)

M.T. Raju,
Deputy Secretary to Govt.

To the Provincial Textile Commissioner.
To All Collectors.
To the Accountant General.
To the Registrar of Cooperative Societies.
To the Business Manager, Madras Handloom Provincial Weaver's Cooperative Societies.
